GORDION (B)

A game board interface for Gordion (B). The board features a Greek key border and a central illustration of a cityscape with a large, glowing orange light source. The interface includes several icons and text elements:

- Top left: A purple icon with the number 7 inside a green laurel wreath.
- Top center: A green laurel wreath with the number 5 inside.
- Top right: A white icon with a padlock and the text "x2".
- Bottom left: A yellow icon of a pyramid.
- Bottom center: A yellow icon of a pyramid.
- Bottom right: A yellow icon of a pyramid.
- Bottom right: A grid with three columns labeled I, II, and III. Column I contains a brown circle. Column II contains a red X. Column III contains a grey octagon.
